OUR PROJECTS

Community Health Initiative

**Community
Health
Initiative**

The Community Health Initiative is our flagship project. It is aimed at providing health care screening and interventions to more than 5000 people in Dar es Salaam through one-day medical camps.

These camps are organised twice a year within the city in Msasani and Kerege.

OUR PROJECTS

The Rotary Goat Races

The Rotary Goat Races are a Charity Event attracting 4.000 people annually. Profits are directed towards community based education initiatives that the club oversees.

OUR PROJECTS

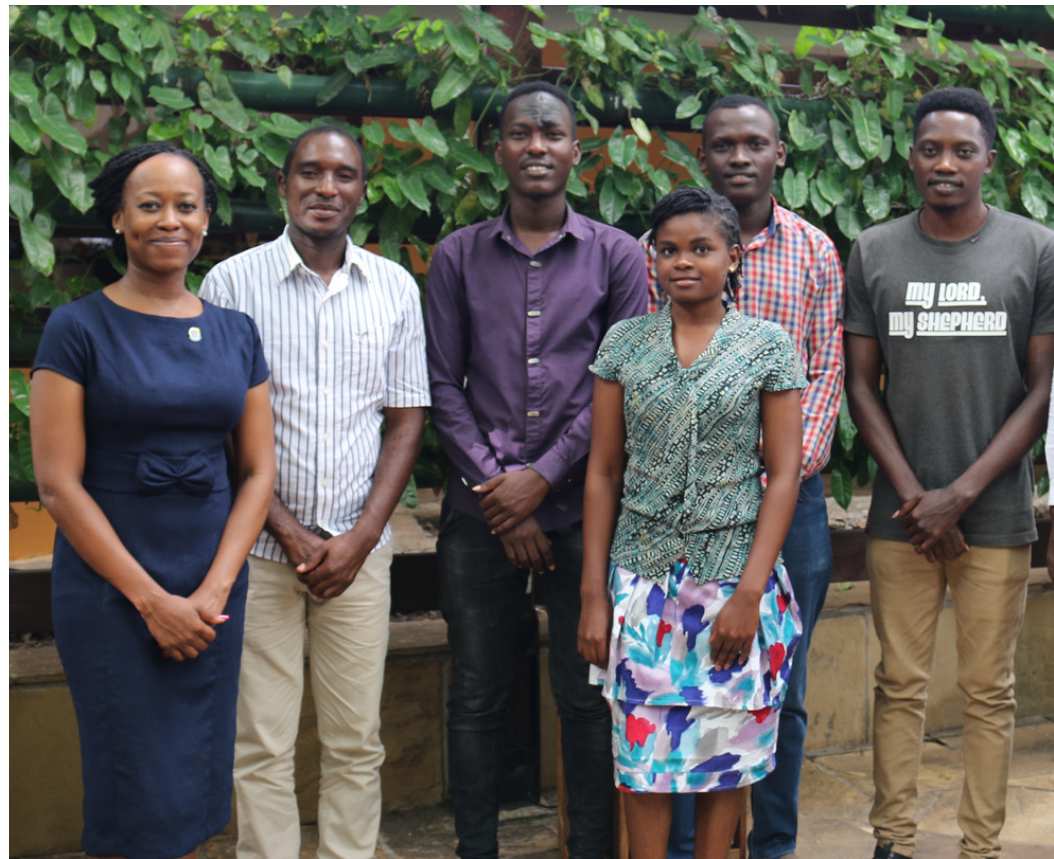

Scholarships

Rotary  Club of
Dar es Salaam
Oysterbay
Scholarships

The Club awards annually more than 20 Scholarships for Bachelor Students of all different fields of study.

Scholarships are only awarded to those looking to study at public/government institutions within the country.

OUR PROJECTS

Education on Waste Management

Education on Waste Managements teaches students of various grades and schools basics about recycling and waste production.

OUR PROJECTS

Global Grant Projects

Bathroom Facilities

Building bathrooms and toilet facilities for the students at the Msasani Primary School.

Retinoblastoma Screening

Working with Muhimbili National Hospital to provide RB screening training and equipment.

Paediatric Surgery Training

Joint project with RC Clubs in Hawaii to provide training to trainers on Orthopaedic Paediatric Surgery.

JOINT INITIATIVES

Collaborative Projects

RDM is a joint initiative of all DSM Clubs. The annual marathon, with different tracks for runners and cyclers of all ability levels, directs all revenues to CCBRT Hospital in DSM and attracts annually around 13.000 people. Since its beginnings, it raised 3.13 Billion TSH.

The five-year District 9211 initiative focuses on the promotion and protection of green through improving livelihoods of people in the communities. It plans on planting 10 Million trees in Tanzania and Uganda.

Vijana Poa is a District-wide jobtraining and coaching initiative for University Students. It's vision is to get every youth working.
