# **ROTARY CLUB GENEVE INTERNATIONAL joins hands with UNHCR**

**=> To improve life conditions of Syrian Refugees in Lebanon**

« **Nobody Left Outside** » **Charity Gala** has been organised just after the club foundation and is taking place tonight in the Ballroom of Intercontinental Hotel Geneva.

We are delighted to welcome you all, sensitive to this cause.

We already thank you all, our eminent speakers, partners and donors for your contribution.

**Iconic pieces and prestigious vacations are auctioned off tonight.**

The funds raised during this event will be allocated to this humanitarian aid project.

We wish you an unforgettable evening true to Rotary motto:

« **Service above self** »!

# ROTARY CLUB GENEVE INTERNATIONAL joins hands with UNHCR

Over 1 million people have sought refuge in Lebanon since the beginning of the Syria crisis. As the conflict wears on, they are increasingly vulnerable and struggle to meet even their most basic needs.

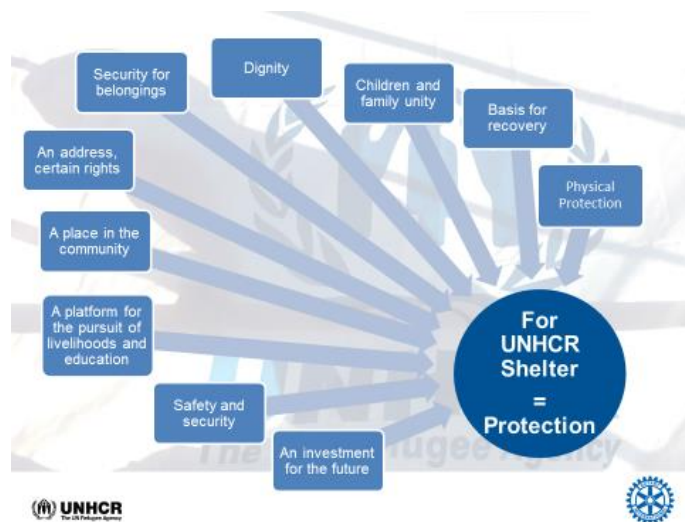

We, members of the **Rotary Genève International**, would like to invite you to join forces with us to relieve the suffering of thousands of Refugees who have been forced to flee.

**Partnering with UNHCR** we will contribute to **deliver shelter solutions** to 510 of the worst-affected refugee families currently living in Lebanon so they can face the winter better equipped and safe.

**The refugee crisis is calling for our attention and action. Refugees need us now more than ever before.** Let us be proud by responding united as Rotarians to deliver to refugee families a safe, warm and decent home in Lebanon.

## How sheltering refugees supports peace building:

Adequate shelter not only fulfils an urgent and basic need, but also contributes to peace-building, community empowerment and protection of refugees in the following ways:

« Yes, I want to provide protection and safe, warmer shelter for Syrian refugee families in Lebanon so they can face winter».

It costs 565 CHF to provide one isolating kit to a refugee family and 1,800 CHF to rehabilitate one housing unit.

- One housing unit rehabilitated: 1,800 CHF
- Nine weather-proofing and isolation kits distributed: 5,085 CHF
- Five housing units rehabilitated: 10,000 CHF
- Other Amount: \_\_\_\_\_

*All costs rounded to include operational overhead and distribution costs.*

# ROTARY INTERNATIONAL

- The largest humanitarian service organization in the world
- Composed of 35,000 clubs in 537 districts
- Present in more than 200 countries and territories

**1.2 million men and women, volunteers, community, business, and professional leaders** put their skills and expertise to the service of the most pressing humanitarian causes. Members of Rotary clubs are working with **determination to improve the daily life in their city, their region and abroad.**

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand. **The Four-Way Test, Object of Rotary, and the Avenues of Service express our commitment to service, fellowship, diversity, integrity, and leadership.**

We focus on six areas to enhance our local and global impact. Our most successful and sustainable projects and activities tend to fall within the following areas:

**1) promoting peace, 2) fighting disease, 3) providing clean water, 4) saving mothers and children, 5) supporting education, 6) growing local economies.**

Belonging to a Rotary Club provides members with an opportunity to give back to their communities and to connect with like-minded leaders.

People join Rotary for many reasons including community involvement, personal development, professional networking and camaraderie.

But perhaps the most important is the satisfaction of making a real difference in your community and ultimately, in the world.

# UNHCR

**SYRIA  
EMERGENCY**

**HELP US KEEP REFUGEES  
WARM AND SAFE**

The United Nations Refugee Agency is **mandated to lead and co-ordinate international action to protect refugees and resolve refugee problems worldwide**. Its primary purpose is **to safeguard the rights and well-being of refugees**. It strives to ensure that everyone can exercise **the right to seek asylum and find safe refuge in another State, with the option to return home voluntarily, integrate locally or to resettle in a third country**. It also has a mandate to help stateless people.

Since 1950, the Agency has helped tens of millions of people restart their lives. Today, a staff of more than 9,300 people in 123 countries continues to help and protect millions of refugees, returnees, internally displaced and stateless people.

As the Syrian conflict continues, millions of refugees are caught in alarmingly deteriorating conditions, facing an even bleaker future. With no solution to the conflict in sight, most of the 4 million Syrian refugees in Turkey, Lebanon, Jordan, Iraq and Egypt see no prospect of returning home in the near future, and have little opportunity to restart their lives in exile.

Inside Syria, the situation is deteriorating rapidly. There's great concern about the extremely dire humanitarian situation in Madaya and other besieged areas, and distressing reports of people at risk of starving to death. UNHCR estimates that there may be up to 400,000 vulnerable people including children and the elderly who need help.

## **What is UNHCR doing to help ?**

- It provides basic and necessary humanitarian aid for Syrian refugees and helps the most vulnerable refugees with urgently needed relief - cash for medicine and food, stoves and fuel for heating, insulation for tents, thermal blankets and winter clothing
- It delivers life-saving assistance on the ground to Madaya, including water, food, medicine, blankets and warm clothes, household items, diapers and hygiene supplies, and jerry cans
- By helping refugees in the surrounding region, UNHCR hopes to reduce the number of desperate Syrians resorting to smugglers and falling prey to traffickers to reach safety elsewhere.

**Thanks to the generous support of donors since January alone, 1.8 million refugees received food aid, 500,000 children were enrolled in school, and shelter in camps were provided for more than 460,000 refugees. [www.unhcr.org](http://www.unhcr.org)**

# LIFE BISCUITS

CSPOC

Consensus for Self Sustaining People, Organisations & Communities

## Why is a Life Biscuit needed?

Every day we hear about new natural and complex disasters that result in people facing malnutrition, particularly children. The present picture of starving Syrian refugees confirms this chilling reality.

## What can we do?

In 2007, Dr Royston Flude began a quest to address malnutrition resulting from disasters and the consequences of pandemics.

This requires a total food replacement that could be used with water for up to 120 days. Recent research from Cardiff University indicates that having a good breakfast can lift academic attainment in children by 100%.

**Our Life Biscuit is perfect for this group as well as the elderly, hospitalised patients and refugees. As its name implies “It give Life”.**

## Who is involved?

The **Consensus for Self-sustaining People, Organisations & Communities (CSPOC)**, which is an ECOSOC accredited not-for-profit NGO, partnered with the **Swiss biscuit manufacturer Kambly**. Kambly have been producing the Survival Biscuit for the Swiss Army since 1959. We are also working with the University of Chester based Northwest Food Research Development Centre (NoWFOOD) with a view to providing an internationally recognised Kite mark of quality and efficacy.

## How is the Life Biscuit funded?

The development of the Life biscuit was initially funded by Dr Flude and has now moved to a development consortium.

The prototypes have an amortised cost of CHF 10 packet. Our plan is be able to supply individuals for 1\$ per day (three packets).

We hope to achieve this objective by economies of scale in manufacture and selling a commercial product for weight management where each packet sold funds a packet for a starving child.

# EAU DE GENEVE

## Water Carafe – Your Souvenir Tonight

**Another way to give access to drinking water in developing countries and crisis areas for CHF 40,-**

Decorated by famous Genevan artists **ZEP** and **Tom Tirabosco** who have infused these everyday design objects with style and originality. In 2013, the Swiss-born French artist **Benjamin Vautier, known as Ben**, offered his support to **Operation Carafe**. This new collaboration, with an ecological and humanitarian aim, demonstrates the values shared by both the artist and SIG. The partnership will enable SIG to continue supporting humanitarian projects, through the sale of the carafes.

***Tonight SIG supports « Nobody Left Outside » Charity Gala.***
